GLOBAL SHARE ALLIANCE

A GLOBAL BUSINESS NEEDS A GLOBAL SOLUTION

GLOBAL SHARE ALLIANCE

The GSA provides global companies with a first class integrated registry and related services across diverse equity markets around the world.

The Global Share Alliance (GSA) was formed in June 2011 to provide enhanced services to international corporations.

Members include American Stock Transfer and Trust Company, LLC (AST), CST Trust Company (CST), Equiniti Limited (Equiniti), Link Market Services Limited (Link), Tricor Investor Services Limited (Tricor) and Wells Fargo Shareowner Services (Wells Fargo).

Technology Leadership

The GSA expertise is founded on a history of pioneering technology to deliver tailored client solutions. We remain committed to leveraging and developing new technology across diverse jurisdictions in an ever changing market to enhance practices and drive investor behaviour.

The peripheral systems that underpin our premium service are modular, flexible and subject to best practice business continuity processes.

The GSA offering is based on:

- Market leading technology;
- Best practice risk management; and an
- Ongoing commitment to innovation

First Class Account Management

The GSA premium account management model incorporates global service integration and local client relationship management to deliver comprehensive coverage for clients and their shareholders. A team will be assembled with significant global registry experience and based on your unique requirements.

A GSA Relationship Lead will be appointed to provide for your daily business requirements and will coordinate global interactions through the appropriate Client Relationship Managers in each jurisdiction. The GSA Relationship Lead will develop a clear annual “work plan” with you to reflect your corporate events calendar and provide optimum support.

The GSA represents in excess of **40 million investor records**, processes more than **\$200 billion in payments** per annum and provides services to more than **5,000 companies** worldwide.

The GSA provides services in Australia, Brunei, Canada, Germany, Hong Kong, India, Malaysia, New Zealand, Papua New Guinea, Singapore, South Africa, the United Arab Emirates, the United Kingdom and the United States.

Capital Markets Expertise

The GSA has the resources, technology and capacity to successfully deliver the services required for any corporate action or capital management assignment. We will work in partnership with you and your advisers to meet any of your future capital raising and strategic objectives. We have extensive international experience, working across multiple jurisdictions around the world.

The GSA members have successfully managed hundreds of corporate actions and developed effective relationships with a range of service providers including investment banks, legal advisers, banking service providers, telephone information services, graphic designers, technology consultants and many more. Our track record of successfully executing complex, time critical transactions makes us the capital markets partner of choice around the globe.

Online Capabilities

The GSA is at the forefront of employing online solutions for capital management projects. All online services are fully integrated with core registry systems, providing seamless interaction with acceptance tracking as well as facilitating real-time reporting. Highly reliable, the system design is scalable and optimised for high volume online transaction processing.
